# OVERVIEW.

Gran Turismo touring has never been easier. The F 800 GT makes it simple to get away from it all and enjoy every mile to the full. Just climb on and you're off and running. It's the ideal model for those who are new to long-distance riding. Its suspension is specifically designed for touring, so you stay comfortable as you rack up the miles. And the punchy parallel twin engine ensures an exciting ride from the word go. Weather problems? No problem. The sleek body of the F 800 GT isn't just for show – it also offers unrivalled touring capability, and takes poor weather conditions in its stride. Right from the start, you know you're in for an unforgettable journey. Just as you'd expect from a GT.

### [1] TourShell suit

This track-inspired touring suit sets the bar higher than ever before, and incorporates the BMW climate membrane. Designed by BMW Motorrad to meet the strictest standards, the material offers increased comfort and improved temperature regulation. A thermal jacket, neck warmer, and waterproof ventilation slits keep riders safe, sound, and fully relaxed, while NP protectors and the combination of abrasion-resistant Cordura, polyamide and elastane provide effective protection. The result is a suit that redefines industry standards.

[2]

[3]

### [2] ProSummer gloves

Robust and hard-wearing, with these goatskin leather touring gloves, you can keep a firm grip on your riding at all times. They incorporate a nylon stretch fabric and GORE-TEX® XTRAFIT membrane, and are windproof, waterproof and breathable, for maximum riding enjoyment. Lightweight inner lining and a crease-free fit prevent distractions, while shock-absorbent double-thickness leather and memory foam help to provide a safer ride. A rubber wiper lip and reflective strips complete the package.

### [3] Allround boots

Ideal for use in all seasons and all over the world, Allround touring boots offer the complete package. The outers are made of hydrophobic cowhide leather and Cordura, for excellent ventilation and low weight, while the GORE-TEX® inners are waterproof, windproof and breathable. Your feet also enjoy peerless protection thanks to moulded plastic components, foam areas and flex zones, as well as reflective material on the heels.

**BMW MOTORRAD SERVICE.**

### **BMW Motorrad Service**

BMW's extensive service network ensures your bike gets the care it deserves. There are over 150 BMW Service Centres in Germany alone, and if you're off on your travels, you'll find them in over 100 countries around the world. Their quality of service is assured by comprehensive training and systems.

### **BMW Motorrad mobility services**

We pride ourselves on the quality of aftersales care we provide. Like BMW Motorrad mobility services: free, round-the-clock breakdown assistance whether you bought your bike new or as an Approved Used Bike.

If you have a breakdown in this country or elsewhere in Europe, our experts will do everything they can to get you back on the road. If they can't fix the problem immediately, they'll get you to your destination by other means.

Ask your BMW Motorrad Centre for more information, or visit [www.bmw-motorrad.co.uk](http://www.bmw-motorrad.co.uk)

### **Datatag**

BMW Motorrad has joined forces with Datatag, the country's leading provider of security marking solutions, to give BMW motorcycle owners an additional level of theft protection and peace of mind.

All BMW Motorcycles will be fitted with the Datatag's industry-leading system to deter theft, free of charge. Datatag's advanced system enables the identification of stolen motorcycles and parts, thereby assisting the police in prosecuting motorcycle thieves and making BMW motorcycles less attractive to criminals.

### **Real Rider**

REALRIDER's life saving, route recording, benefit-filled Smartphone App, lets you track your rides, record your points of interest and keeps you safe when you ride alone. Using Smartphone technology, if a crash is detected, REALRIDER connects an injured rider directly to the NHS Ambulance Control Room.

Each new bike purchase also comes with a complimentary 12 months REALsafe subscription as part of the REALsafe premium App. This is the only accident detection system App to be fully integrated into the NHS and when activated will enable emergency services to locate riders quickly and accurately.

## **MAKE LIFE A RIDE WITH BMW MOTORRAD FINANCIAL SERVICES.**

Get on your new or used BMW bike as quickly and easily as possible with finance from BMW Financial Services.

We offer a range of flexible finance options for your new or used bike to get you out on the open road.

- BMW Select is our most flexible and popular finance product. It can help turn your dream Motorrad adventure into a reality by putting you onto a BMW bike sooner than you might think. With BMW Select, you can change your bike regularly, meaning you can always benefit from the latest technologies in the range.
- BMW Hire Purchase is the traditional way to finance your new BMW bike, where you spread the cost of your purchase equally over time so it's easy to budget.
